

# MIDLANDS APICS Professional Development Meeting

Joint meeting with ISM

## ***"It can be done – Project Management"***

**Presented by Julie Johnson, Project Manager at FDR**

Do you often find yourself in the role of a project leader or as a project team member even though that is not your job title? What does it take to lead or contribute to the team in order to obtain desired benefits? This seminar is designed to introduce the concepts of project management to individuals and teams who work together on or in support of projects to improve alignment and execution across the organization

## **REGISTRATION (Required):**

Reservations are required for PDMs. We on the Midlands BOD appreciate the fact your schedule is very fluid and that plans change. It would help us immensely if you put your reservation in by the deadline and if plans change, please let us know. The unfortunate fact is that many caterers require a firm commitment on the number of meals 3 days in advance and we are billed for that amount no matter what. So, please keep us in mind if your plans change.

It will help us hold down our PDM costs.

*To make reservations for the dinner meeting (please include your meal choice) and (optional) your company. Please email (email is the preferred method) your PDM reservation and meal choice no later than*

**Friday 11, 2008.**

Ray will confirm your reservation. Send your reservations to:
